

EXAMPLE ALARM LICENSE

An FBI and OSBI background check is required for all licenses.

Anytime a company is selling, installing, or providing service, always ask to see the licenses of people working on your property. If there is ever any question, call the Oklahoma State Department of Health Alarm and Licensing Section at (405) 271-5779. The Alarm and Locksmith Individual's license has an emblem of the Great Seal of the State of Oklahoma on the front with a light blue marbled background. The size of the license is approximately 33/8 x 21/8 inches. The actual license is made of plastic to provide durability and help prevent forged licenses.
